**LIGHTS** A lightweight version of the original thunder. Light and strong forged baseplates, aircraft grade hollow kingpins and the same thunder turn response makes these some of the most popular trucks in the line.

**FULL DIPPED LIGHTS RED**  
LOW 145 HI 145/147

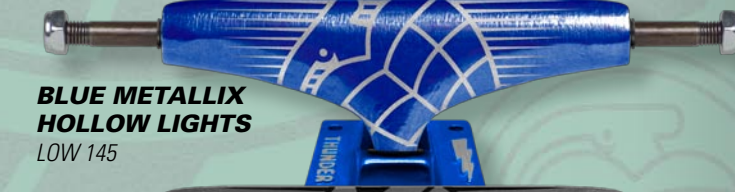

**HOLLOW LIGHTS** We took thunder lights and made them one step lighter by adding aircraft grade hollow axles to go with their forged baseplates and hollow kingpins. Super light and guaranteed strong!
